Part II - Evaluation Procedures and Criteria

Section 2.1 - Receipt of Statement of Qualifications

Each Statement of Qualifications received in response to this RFQ will be placed in a secure location with access limited to specific CMAR, Engineer of Record and Eureka County staff and representatives. Statement of Qualifications will be reviewed and evaluated in accordance with this Part II.

Section 2.2 - Statement of Qualifications Evaluators

The CMAR will have responsibility for reviewing all Statement of Qualifications and conducting the reviews, evaluations, and scoring described in Sections 2.4 and 2.5.

Section 2.3 - Initial Pass/Fail Review of Statement of Qualifications

The CMAR will first review each Statement of Qualifications to determine whether the Proposer has satisfied all of the following requirements:

- 1) The Proposer hasn't breached contract with respect to a previous project(s) during the five (5) years preceding the date of Issuance of this RFQ, other than a breach for a legitimate cause.
- 2) The Proposer has provided all information required in Sections 1.1 and 1.2 and completed and signed the certification in Section 1.3, certifying that all information provided by the Proposer is complete and accurate.

This initial review will be on a pass/fail basis. Statement of Qualifications that pass this initial review will be considered acceptable and will be evaluated in accordance with the section below. Statement of Qualifications that fail this initial review will not be subject to further review or evaluation by the CMAR. Proposers will be notified in writing if they fail this initial review.

Section 2.4 - Evaluation of Acceptable Statement of Qualifications

Each Proposer that passes the initial review under Section 2.3 shall then be evaluated and scored by the CMAR in accordance with the factors and weights set forth in Section 2.5. The CMAR may contact any of a Proposer's project references to discuss the Proposer's qualifications and past performance. The results of any such reference checks may be considered in the evaluation and scoring of Proposers under Section 2.5.

Section 2.5 - Evaluation Factors

Proposers will be evaluated on the basis of a review of their Statement of Qualifications under the evaluation factors and their relative weights as described in this Section. The qualifications evaluation criteria are set forth below:

- 1) Financial Viability (20 Points)
 - a. The financial viability of the Proposer, as evidenced in its most recent financial report.
 - b. The financial viability of the Proposer, as evidenced in its most recent balance sheet.
 - c. The financial viability of the Proposer, as evidenced by a bank account in good standing.
- 2) Safety Program and Record (20 Points)
 - a. Quality and content of the Proposer's Safety Program.
 - b. The Proposer's safety record over the past three (3) years as reflected in OSHA Recordable Incident frequency, and EMR rates.
- 4) Performance History and References (60 Points)
 - a. Experience of the Proposer in construction projects of similar size and scope over the past five (5) years (may include the results of contacts with project references).
 - b. Record of the Proposer in meeting contract and schedule commitments and delivery of successful projects.
 - c. Experience of the Proposer with construction projects in Nevada, including knowledge of local construction conditions and processes.

Section 2.6 - Qualification Selection, Notification, Appeals

The CMAR shall score each Proposer based on the evaluation in Section 2.5. **In order to be qualified to provide a bid for the Project, the Proposer must receive a minimum of sixty (60) points.** Following the evaluation and ranking, the CMAR will submit its recommendations of which Proposers are qualified to provide bids for the Project, together with the Statement of Qualifications scoring, to Eureka County for its review and approval. Eureka County will review the recommendations and scoring to ensure that each recommendation to qualify or not qualify has been made pursuant to this RFQ. Upon approval by Eureka County, the CMAR shall notify each Proposer and Eureka County in writing of its determination on whether the Proposer is qualified to submit a bid for the Project. A determination made pursuant to this RFQ that an applicant is not qualified may be appealed to Eureka County.
